

Pot Holes Reservoir Trip

October 1, 2022

Hello Everyone,

The Potholes outing turned out to be one of the best outings we have had in a long time. We had 20 members and guests participate. Fishing was really good, lots of walleye caught and ate along with 6 other species. Bottom bouncers and slow death was the main weapon of choice, but fish were caught on crankbaits and jigs. Charlie and Virgil Collins boated a 6+ pound walleye. The shore lunch was well received plenty of great food. We helped Ann Bunge celebrate her birthday. Then attacked the golf course for the world famous Potholes golf championship. After a heated round there was a 3 way tie at the top of the leaderboard Charlie Collins, Paydn Borland, and Mike Borland. Charlie won the championship based on looks and took home a bottle of champagne imported from Montana, better known as the cheap stuff nobody wanted. Mark September 30, 2023 on you calendar for next year. You won't be disappointed.

Other outings planned for next year are May 20th Potholes and June 10 at Crow Butte Park on the Columbia

*Tight Lines
Mike Borland*

ISN'T THIS WHAT
FISHING IS ALL
ABOUT?
