

Western Washington

Walleye Club also:

- Seeks to procure better cooperation with all other organizations or agencies with similar objectives.
- Encourages the observance and enforcement of game laws, and to fight pollution in all waters.
- Welcomes family participation in all our activities, meetings and our club sponsored activities events. Hope to see you there and share fish stories, ideas and fun.

What WWC Offers its Members

- A low-key approach to Walleye angling knowledge and pleasure, suitable for all ages.
- A chance to make new friends that share a common interest either at club meetings or over the internet.
- Scheduled club outings at Walleye hot spots like Banks Lake, Potholes Reservoir and the various areas on the Columbia River; along with lots-o-fun, plus cookouts, campfires and other activities.
- Expert advice and help from fellow members and scheduled guest experts.
- Reports on hot spots, new methods and new techniques.
- Updated information on our web page.
- A chance to be involved with a club that is recognized as an active organization on behalf of Washington's Walleye fishery.
- Learn to chat with members and other fisherman over the internet.
- Send a picture of your boat.
